Education

North Carolina State University — B.A. Graphic Design
August 2017–May 2021

NC State Prague Institute — Study Abroad
January 2020–March 2020

Experience

Designer — The Collected Works (Current)
Working with NYC-based design studio The Collected Works, creating client branding, UI/UX, 2D/3D motion graphics, packaging, and case study work

Graphic Designer — The Farthest Pixel (2017–2021)
Contracted with a local education-focused design firm creating branding, infographics, icons, illustrations, and animations for various online courses

Product Design Intern — NCSU Experience Design Lab (Summer 2019)
Spent the summer designing, developing, and releasing an open-source educational browser-based tool called Panoform, which is meant to lower the learning curve for VR content creation by enabling anyone with a smart mobile device to draw 3D scenes on paper

Service Technician — NCSU ClassTech (2017–2018)
Provided technical support throughout NCSU campus, responding to support calls from professors and university staff, participating in media installation projects
